

WHAT WE DO

CREATE
COMMUNITY-BASED
INFRASTRUCTURE HUBS

IMPART
DIGITAL LITERACY

PROVIDE CONDUCTIVE
ENVIRONMENT TO
ACCESS INFORMATION

ENSURE CAPACITY AND
SKILL BUILDING

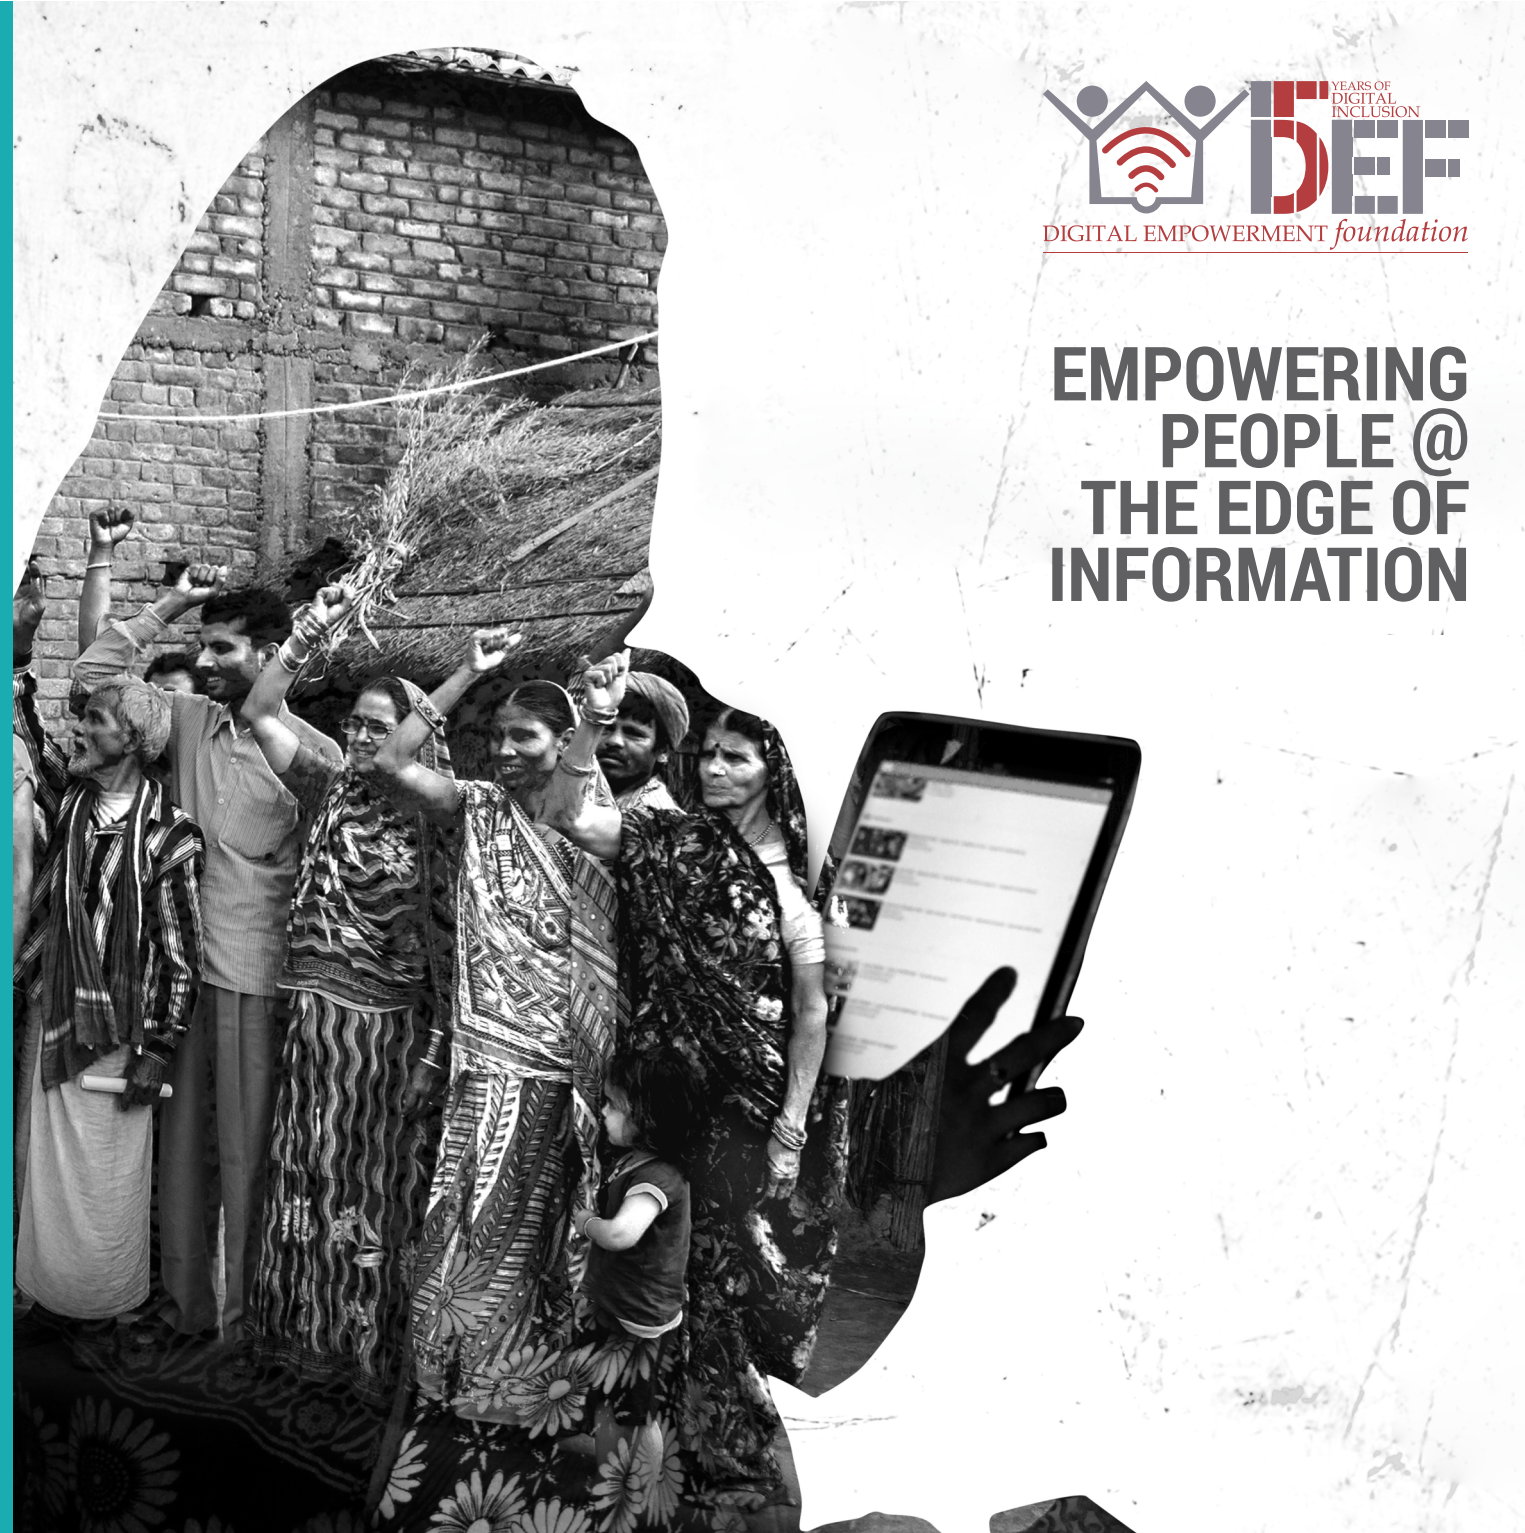

SUPPORT DIGITAL LIVELIHOOD
& ENTREPRENEURSHIP

ESTABLISH WIRELESS
CONNECTIVITY

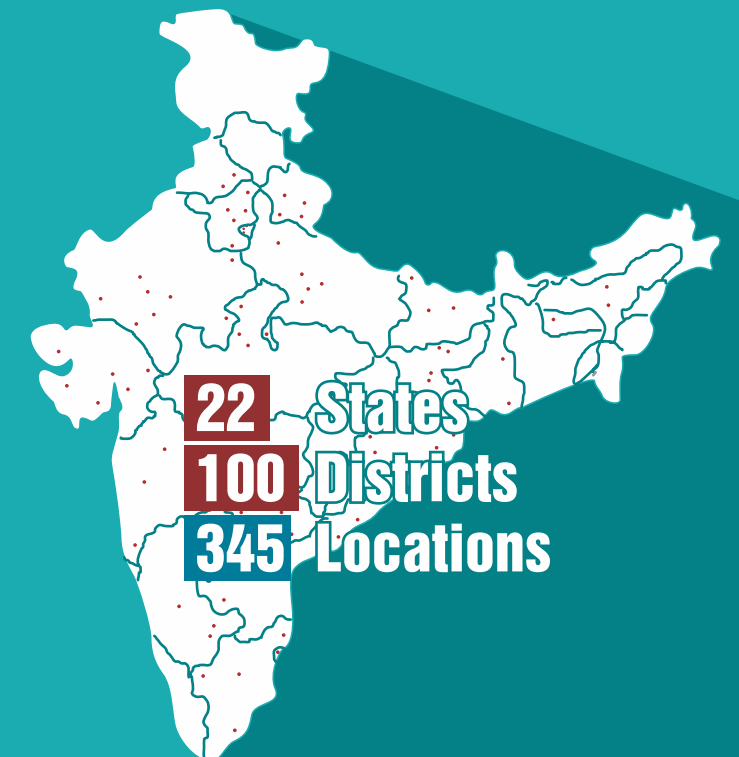

EMPOWERING
PEOPLE @
THE EDGE OF
INFORMATION

WHO WE ARE

Established in 2002, Digital Empowerment Foundation (DEF) is a New-Delhi based not-for-profit organisation.

With belief in the power to 'Inform, Communicate and Empower', we aim to find sustainable digital solutions to overcome information poverty among rural and marginalised populations in backward and remote districts of India.

WHAT HAVE WE ACHIEVED

50,00,000	Digitally Empowered
25,00,000	Women Digitally Enabled
5,00,000	People Aailed Entitlements
20,000	Artisans Digitally Empowered
15,000	Trained In Digital Content Creation & Dissemination
8,000	Digital Innovations Documented
6,000	NGOs Digitally Enabled
500	Gram Sabha Online
300	Digital Resource Centres Set Up

HOW CAN YOU HELP

When we make one individual digitally literate, we make one household digitally empowered.

Every Rs. **1,500** that you contribute to us, can help us make one individual digitally literate in rural India.

To make your contributions towards a digitally empowering India, visit www.defindia.org.
