REUSABLE CLOTHING SANITARY PAD

AN INITIATIVE OF

SmartPad Cloth Pads give you wet-free comfort thanks to the luxurious cotton velour cloth touching your skin.

They are backed by laminated fabric, so no more worries of leaks! With a 5-layer cotton core, our cloth pads give you enough absorbency to last 5-6 hours during daytime. For night times, our large pads provide sufficient absorbency to last all night!

The contoured shape of our pads give you perfect fit, with no slippage when worn with appropriate underwear.
