Objectives of the Programme

- To create equitable communities by providing digital access to knowledge, and contextual capacities.
- To make technology easily accessible to the masses.
- To empower women, youth, differently-abled and elderly through digital upskilling across agriculture, education, health, livelihood and entrepreneurship.
- Connect the unconnected by providing access to contextual digital tools like desktops, tablets, printer, scanner, internet etc.
- Provide digital financial services so that the displaced population can become self-reliant.

About the Programme

DEF seeks to implement this project to support displaced population in the states of Delhi and Haryana by setting up 10 digital and information centers, which will enable 5000 direct and 5000 indirect beneficiaries from the target population especially women and girls displaced population to be digitally equipped for the purpose of livelihood, education, and community development.

Digital Empowerment Foundation
House No, 44, 2nd & 3rd Floor (Next to Naraina IIT Academy)
Kalu Sarai, (near IIT Flyover), New Delhi - 110016
