

A-CODE

Art and Collectives for Digital Empowerment

A-CODE is an effort towards finding ways to enhance collaboration among civil society organisations that are working in different sectors, and advocating for a more pivotal role for the inclusion of the arts for social change.

Anshul Tewari

Ashwini

Jaswanth Dadi

A-CODE believes that artistic expression offers effective values and ample opportunities for discussion, criticism, knowledge, imagination, the sharing of experiences, and hope and healing; all invaluable tools for individuals and communities to imbibe into the lives they lead. The collective would deal with several important issues such as, Freedom of Expression, Social and Economic Marginalisation, Gender Inequality, Misinformation and Hate Speech, Digital Access, Internet Freedom Discrimination.
